Introduction**

commanders

Battery : 48/60V20-32AH

Electric machine : 1000W Nampo Docking Shaft Motor

Controller : 12 Tube Coya Controller

brake:front and rear brake front hub brake

tires:3.0-8 tires

Dimension:2020mm *920 mm* 920mm

Wheel hub:iron wheel

Selling point :Digital instrument

Appearance optional:

Caramel coffee

Turquoise

Brown Gray

Creamy white

XIAO YAO XING

Battery : 60/72V

Electric machine : 800 W positive heat dissipation motor

Controller : 12 tube MTPA brushless permanent magnet ,
keya model controller

brake: front and rear brake

tires: 3.0-8 tires

Dimension: 1600mm * 750 mm * 1650mm

wheel hub: iron wheel

selling point : lens super bright headlights, hydraulic fork , dual remote control
alarm device , the new aircraft (luminous logo)

Appearance optional:

Cream white/matt black

black

Piano Black/Matt Black

King Kong IV

Battery : 60/72V 20ah

Electric machine : 800 W positive heat dissipation motor

Controller : 12 tube MTPA brushless permanent magnet ,
brake: front and rear brake

tires: 3.0-10 tires

Dimension: 1930mm * 980 mm * 730mm

wheel hub: Aluminum wheel

selling point : bold hydraulic fork , dual remote control alarm
rear end basket

Appearance optional:

Ocean blue/matt black

Piano Black/Matt Black

Starry sky

Kong fu tian

Battery : 60/72V 20-32 Ah

Electric machine : 1000W positive heat dissipation motor

Controller : 12 tube MTPA brushless permanent magnet ,keya module controller

Brake: front and rear brake +foot brake+hand brake

Dimension: 2300mm *970 mm* 1050mm

wheel hub: Aluminum wheel

selling point : bold hydraulic fork ,dual remote control alarm,super double horn.

Appearance optional:

Brown/Orange/Matte Black

Matcha green/Matte Black

Gray-blue/Orange/Matte Black

Bright red/Matte Black

Dark blue/Matte Black

Matt Black

Happy Q 70

Battery : 48/60 V 20-32 Ah

Electric machine : 650 W positive heat dissipation motor

Controller : 12 tube MTPA brushless permanent magnet ,

Brake: front and rear brake

tires: 3.0 -8 tires

Dimension: 1600mm * 750 mm * 1040mm

wheel hub: iron wheel

selling point : dual remote control alarm , luxury headlight , child seats

Appearance optional:

Brown / cream white /
matt black

Turquoise/ cream
white / matt black

Bright yellow / cream

Little Dolphin

Battery : 48/60V 20Ah

Electric machine : 800 W positive genbo motor

Controller : 12 tube MTPA brushless permanent magnet ,

Brake:front and rear brake +foot

tires:3.0 -8tires

Dimension :2000*850*1070

wheel hub:iron wheel

selleing point :hydrolic fork ,dual remote control

alarm ,luxury headlight ,turn signal ,rear end basket

Appearance optional:

Matcha green/ cream
white / matt black

Orange/grey/ matt black

Bright red/ matt black

Fog grey/ matt black

matt black

Little Dolphin Upgrade

Battery : 48/60 V 20-32Ah

Electric machine : 800 W positive genbo motor

Controller : 12 tube MTPA brushless permanent magnet ,

Brake: front and rear brake + foot brake

tires: 3.0 -8tires

Dimension : 2000mm*850mm*1070mm

wheel hub: iron wheel

selleing point : hydrolic fork , dual remote control

alarm ,luxury headlight turn signal .rear end basket

Appearance optional:

White / matt black

Matcha green/ cream
white / matt black

Orange/grey/ matt black

Fog grey/ matt black

matt black

Happy ride

Battery : 48/60 V 20-32Ah

Electric machine : 800 W positive genbo motor

Controller : 12 tube MTPA brushless permanent magnet ,

Brake: front and rear brake

tires: 3.0 -10 tires

Dimension : 2150mm*950mm*1070mm

wheel hub: iron wheel

selling point : hydraulic fork , dual remote control

alarm , luxury headlight turn signal . rear end basket

THANK YOU!

Why Choose Us?

- **Proven Reliability:** Our bikes and tricycles are built with high-quality materials and backed by extensive testing for durability and safety.
- **Eco-Friendly Technology:** We are committed to using only sustainable, renewable resources to power our vehicles.
- **Customer Support:** We offer outstanding customer service and a comprehensive warranty on all our products.

Next Steps:

1. **Test Ride:** Come by our showroom visit us to test ride our solar-powered bikes and tricycles.
2. **Order Today:** Choose the model that fits your needs, and our team will assist you with purchasing.
3. **Join the Green Revolution:** Take a step toward a more sustainable future today with solar-powered transportation!

Conclusion:

Thank you for your time. Solar-powered bikes and tricycles are not just a product, they're a movement towards greener, cleaner, and more sustainable transportation. We are thrilled to be part of this journey with you, and we look forward to helping you make the switch to solar-powered mobility.

If you have any questions, feel free to ask!
